## From the Oval Office

Here it is February 27th, very cold outside, and not expected to warm up anytime soon. Be that as it may, our good Editor expects to assemble the next Bull & Ton as soon as possible. So, here goes.

With the new year under way, membership should, gain top priority in 2002. You can have the best Membership committee in the TCDA and it still isn't going to be enough. "There is only one way to keep our membership numbers up. The team Captains and members need to get into the act. They need to take part and get serious." I think the real key to increased membership is to ask. I ask you to give this subject some thought and let the Board Members hear from you. Thank you.

We started off the new year with our Captains meeting at Minnehaha Lanes on January 8 and had a great time with a good turnout of over 60 members. Thanks to managements Jeff Quade we had a warm welcome atmosphere, as well as happy hour beverages. Mike Anderson and I had a meeting with Jeff and if all goes well we'll be seeing more of Minnehaha Lanes in the future.

We are happy to welcome new members Tom Drulard, Gary Johnson and Michael Hathaidharm at the meeting and thanks to Sharon, they were assigned teams. Good luck guys. I know you will enjoy your association with the TCDA. Let me also welcome others who have currently become members.

The call for Division Advisor went out and we are happy to say Margo will be the new rep. for "AA" replacing Dan Powers who had more pressing personal duties. We enjoyed your company, Dan even though it was of short duration.

FRONT LEFT OF MIKE ANDERSON IS MIKE HATHAIDHARM, A NEW MEMBER OF THE MORE-ONS AND HE IS GOOD!

Our Board meeting December 17th was a humdinger. Sharon sure can throw a party. She treated us to a buffet fit for a king. We conducted a bit of business first and then celebrated the holidays with Christmas cheer. Thanks Sharon for a nice Christmas treat. (see photos).

WE WELCOMED DAVE TO HIS 1ST CHRISTMAS MEETING

As you know Jeff Hafner is the Editor. Now he is also responsible for the Printing too. He got us such a good deal at work that we had to make the change of printers. I called our old friend Rick at Jerry's Printing and Design to thank him for all the good work he has done for the TCDA over the years.

See "Oval Office" on page 2

"Oval Office" from page 1

He assured me that he would always be there for us should the need arise. Thanks again Rick for everything. Thank you Jeff.

You must know that Tom and Linda finalize the production of the Bull & Ton for the printer. Thanks for a job well done.

Although many of you do not know George Peters, you now may know him through his art work for the TCDA. We can't thank him enough for the great job he did on the Dartmania poster and now for the work on the 2nd Annual Dartmania poster. George, for me and all the gang, thanks sincerely for a swell job.

This is a good time to again say what a great job Mike Morson has done for us in this modern age of computers. The Web Site is fully integrated now and we hope the members take full advantage of it as well that it will attract new blood. Thanks Mike, you are tops.

Saturday February 23, 2002 was a memorable day. You guessed it, we had the annual Minnesota State Tournament at American Legion Post #1. More on this event from other responsible parties but, I would like to commend those who put the great event together. Tournament Director Mike Anderson, Sharon Lohmar assisted by Greg Oldenkamp. Jeff Hafner and Margo Ulrich on the sign up and elimination board. Tom Wheaton for the music and last but not least our good friend and work horse who had the responsibility for the set up of all the equipment necessary to success. Our Johnny Hubbard is one in a million and we can thank our lucky stars that we have him. Mike assisted you and he tells me you are a pleasure to work with. Also, we have Johnny to thank for the big turn-out at the State on Feb. 23. There were 14 from Neilson's pub in Burnsville. Your efforts on behalf of the TCDA is appreciated.

Although Mark Wegmiller may not be visible on many occasions you can be sure we can count on him to make the necessary arrangements for purchase and delivery of the trophies for all occasions. Thanks Mark, your work is appreciated by

OUR ESTEEMED BRUCE FINK WAS RECOGNIZED FOR HIS GENEROSITY FOR SPONSORING "DARTMANIA"

one and all. Joel Johnson does a great job with the trophies.

Stop and think for just a minute. There wouldn't be a Dartmania Extravaganza if it were not for the good graces of our good friend, fellow darter Bruce Fink. Bruce, take it from me, you have done the TCDA a great service and we have all benefited from your good will. Incidentally, your donation of all those dart boards at Dartmania was a gesture of your continued generosity toward the TCDA that deserves our utmost thanks.

Well, we are half way through another season and looking forward to the Mid League competition. Good luck to all and as Director Ed Otjen used to say "May the Dart God be with you."

Good darting,  
Charles

NEW MEMBERS, GARY JOHNSON & THOM DRULARD CAME TO THE CAPTAIN'S MEETING

## 2002 TCDA STATE TOURNAMENT

by Bob Marley

This was one of the largest turnouts that we have had in many years, with a lot of new faces from all of the different leagues. We had a great day for weather and many, many close dart matches.

The State Tournament this year started at 7:00 AM for some and did not finish until into the next day. With this in mind, I would like to thank those who worked to make this a great event. The first on the job was John Hubbard .. he set up the boards and was there until the end. The next was Sharon Lohmar.. as always she ran the tournament boards and made sure that everything was accurate and kept on track. Others that helped to make this event run smoothly were Greg Oldenkamp, Margo Ulrich and Jeff Hafner.

Once again, Bruce Fink gave dart boards away to anyone who threw over 150 points in one throw. He left with 12 boards less than he started with. Thanks again, Bruce, for your support of darts and the TCDA.

The next time you see any of these volunteers, let them know what a great job they did!

Next year's State Tournament will have a few changes. The first will be changing the Singles matches from 501 to 301. (Since we play 301 every week, it makes more sense to play that for the state championship.) The second major change will be to change the Mixed 3-person team event to a Luck-of-the-Draw Doubles. (This is being switched to get the matches over earlier, so everyone isn't there so late). If you have any additional ideas, please let us know.

Below is a list of the final tournament results.

Thanks again to everyone who showed up to make this a great event!!!

**Classic A Mid-Season**

by Jeff Hafner

Classic A held their mid-season tournament on March 5th at The Hat Trick Lounge. Since we only had eight people enter the contest we decided to have a singles tournament. Once again the competition was very good, no push-overs here. The matches were all hotly contested, although everyone seemed to be having a great time. We want to thank Mike and Chris at the Hat for their hospitality and the great food they put out for us, it was much appreciated. When the night came to an end it was Rollie Johnson who was left standing, Jeff Hafner finished second, and, in his second tournament, taking his second third place finish was Jon Edgerton. Everyone had entered high out and walking away with the honors was Mark Lemere with a 72 out. Thanks to all who came and contributed to a fun night of darts. I hope to see more of you next fall. ●

### Another Note to Kay

Anonymous, OK, I wrote it!

Not even Charles Stutz, Jr., our esteemed President, can easily get away with being out too late. Sometimes, it's not his fault. In fact, the note to the right admits that there were other mystical forces behind Charles' most recent late night.

Charles' wife, Kay, understands when he gets detained, since it happens often, but the gang felt they needed to write Charles a note anyway, just to be safe. ●

Dear Kay,

Even though our team wasn't playing against the "Team of Charles" (alias Stutz Bearcat), I can attest to the fact that Charles did shoot — We saw his exceptional skill — but only at a distance — he's so far above us! As we gazed (in awe) at Charles' darts, we realized that the evening was getting longer. The late hour was not the fault of Charles... but rather his opponents, who begged for mercy. Please forgive Charles for being late — people were begging for autographs. Love, All of Us!
