From the Oval Office

It's hot right now, but after all, you may remember the hottest time is July through August, so what are we complaining about.

It was a pleasure to talk with Carmen and Mike at the birthday party and for Carmen to give us a nice article on their life with the TCDA. My best to both of you and good shooting on dart night.

Sure was nice to see my good friend Mike Hennen back to the Oche again. Hope your good health continues Mike.

Then again I want to say it was a pleasure to see our good friend Paul Harfield out of the sick bed and playing darts with all his old friends. Good health Paul.

Although Barb and LeRoy have moved their residence, they still own and operate the Castle Pub. Hope you folks are happy in your new home and that we continue to see activity at the pub. We've all had some great times at the pub as Carmen has noted.

We say so long for now to Jon Edgerton and Mark Wegmiller who have left the board. We thank them for their time and effort while serving as board members. We'll miss them but know we will see them around on dart night. Good luck fellas, see you around.

We take this opportunity to welcome our new Board members Paul Cushing and Mark Lemere.

I know the summer league has been under way for some time and as you read this, I'm sure the winners have been documented for trophies. Thank you all for supporting the Summer League and making Sharon's work worthwhile.

Mark this date: October 12th - Awards Banquet

Note: John Hubbard will be happy to take your order for one of those neat jackets you may have

seen on dart night. A flyer will be in the Captain's Kit this fall.

Thanks Mark for the nice job you did on the survey. In closing, let me say this: The name Charles has been popular throughout history. Perhaps this is because, in old English, the name means simply - a person or a free man. So how could a mother go wrong naming her newborn son Charles?

Good darting,

Charles

It is with a warm feeling that I write about my long standing dart friends Mike and Carmen respectively #400 and #416 dating to 1976. Their involvement with the TCDA is best described in Carmen's own words as follows:

We started in '76, Mike, #400, joined in February and two weeks later, on my birthday, he took me with him to darts and they were short so I played and hence #416. We played regularly from then on including mixed and kids and went to every tournament we could. We traveled by bus, car, Amtrak and air, all those crazy three day tournaments. Mike and I created and ran with Barb and Leroy the Drawbridge - Drawstring as well as Cricket in the Attic. Mike also formulated the Pub Masters, was a Divisional Advisor, Co-Editor of the Bull & Ton, wrote standing sheets and was President. I think that about covers everything about darts over the years.

Our "Old Geezers" (except for the kid Kelly) is probably the oldest members combined LeRoy, Earle, Don, Mike and Carmen. we all kept throwing despite our bodies protests. Thanks Carmen.

It is always a pleasure to see these old timers at the various dart meetings and tournaments. I hope we all have many happy years ahead in this organization.

I have worked with Mike as board members in the past but my fondest memory was the night of August 21, 1981, when at Castle Pub we took first place on Friday night. Those were the days (nights).

Thank you for inviting me to your birthday party or should I say parties as I later found out that it was also Carmen's birthday at approximately the same time. We all had a good time as the pictures attest. ©

It appears that we had a relatively uneventful year in the TCDA. Acts of violence were down, acts of sportsmanship were up, and patriotism was evident every night. This is a good trend so lets keep it up.

It is particularly encouraging to see sportsmanship on the rise. We had a period where it seems that some people forgot that darts in the TCDA is a game intended for fun.

A friend and teammate, Mark Wegmiller, has reached the end of his term as a member of the TCDA Board of Directors and has decided not to run for re-election (something about work, family, or other non-dart related, and therefore unimportant, matters). As one of his duties Mark was in charge of trophies for the banquet and the tournaments. He was also a calm voice of reason who always kept the best interests of the TCDA at the forefront.

A rewrite of the TCDA By-Laws and the Rules and Procedures is being planned. Written suggestions are encouraged. E-mail your ideas to info@twincitydarts.com or send your ideas to:

2002 Dartmania Extravaganza

by Bob Marley

Hello.

Once again the Dartmania Extravaganza turned out to be a great success. We had a large turnout from all around the Midwest area, from the states of Iowa, North & South Dakota, Connecticut, Missouri, Nebraska, Ohio, and a few other states. Our highest national ranked player was Steve Brown from Missouri. He is ranked as one of the best shots in the country. The only bad part of having Steve show up is that he won almost every event.

I hope that many of you that were there took the time to talk to Steve Brown because he is a great guy and a wonderful rep. for the sport of darts. We have had nationally rated players both years of the tournament and its really fun to play them, and to see what it takes to play with some of the best in the country. There were many locals that did quite well. It would be nice to see even more of our club members at this event.

I had to feel bad for Jeff Hafner when he was scoring for Steve Brown and Jon. They were playing cricket and the score was over 1400 points each. We had to bring him extra markers and a drink, but it was enjoyable watching good competition at that level.

I would like to thank the tournament committee for all the hard work. (Bruce Fink, Johnny Hubbard, Sharon Lohmar, Greg Oldenkamp, Jeff Hafner, Margo Ulrich, Tom Wheaton, and Charles F. Stutz, Jr.) They do everything it takes to make a tournament of this size come together. As always, they are looking for more help, so get involved to help make this event and all of the TCDA a better club.

A special thanks goes out to Bruce Fink for having the vision to bring this tournament to life, and to George Peters for designing our posters.

The thing that you remember after this event is all of the great people you meet from all over, that have the same love for the game of darts. I

hope everyone had a great time. See you next year at the 2003 Dartmania Extravaganza.

Roving Artist

by Jeff Hafner

Near the end of spring season, the Vagabonds and the Rogues were facing off at the Hat Trick Lounge. A roving artist, looking to make a few dollars, approached and offered to draw a caricature of one of us. He suggested we each kick in a dollar and pick someone. Now, sitting across the table from me was Roger Valentine from the Rogues. Roger and I grew up in the same neighborhood; he was a good friend of my older brother. Seeing an opportunity to once again pick on Jim's little brother, he quickly convinced enough people to cough up ten dollars and nominate me on the condition that it make the Bull and Ton. So here it is as promised.

P.S. If Darren Ray Hayes ever makes it big, I've got a signed original that I might consider selling for the right price. ●
